About EUREKA:

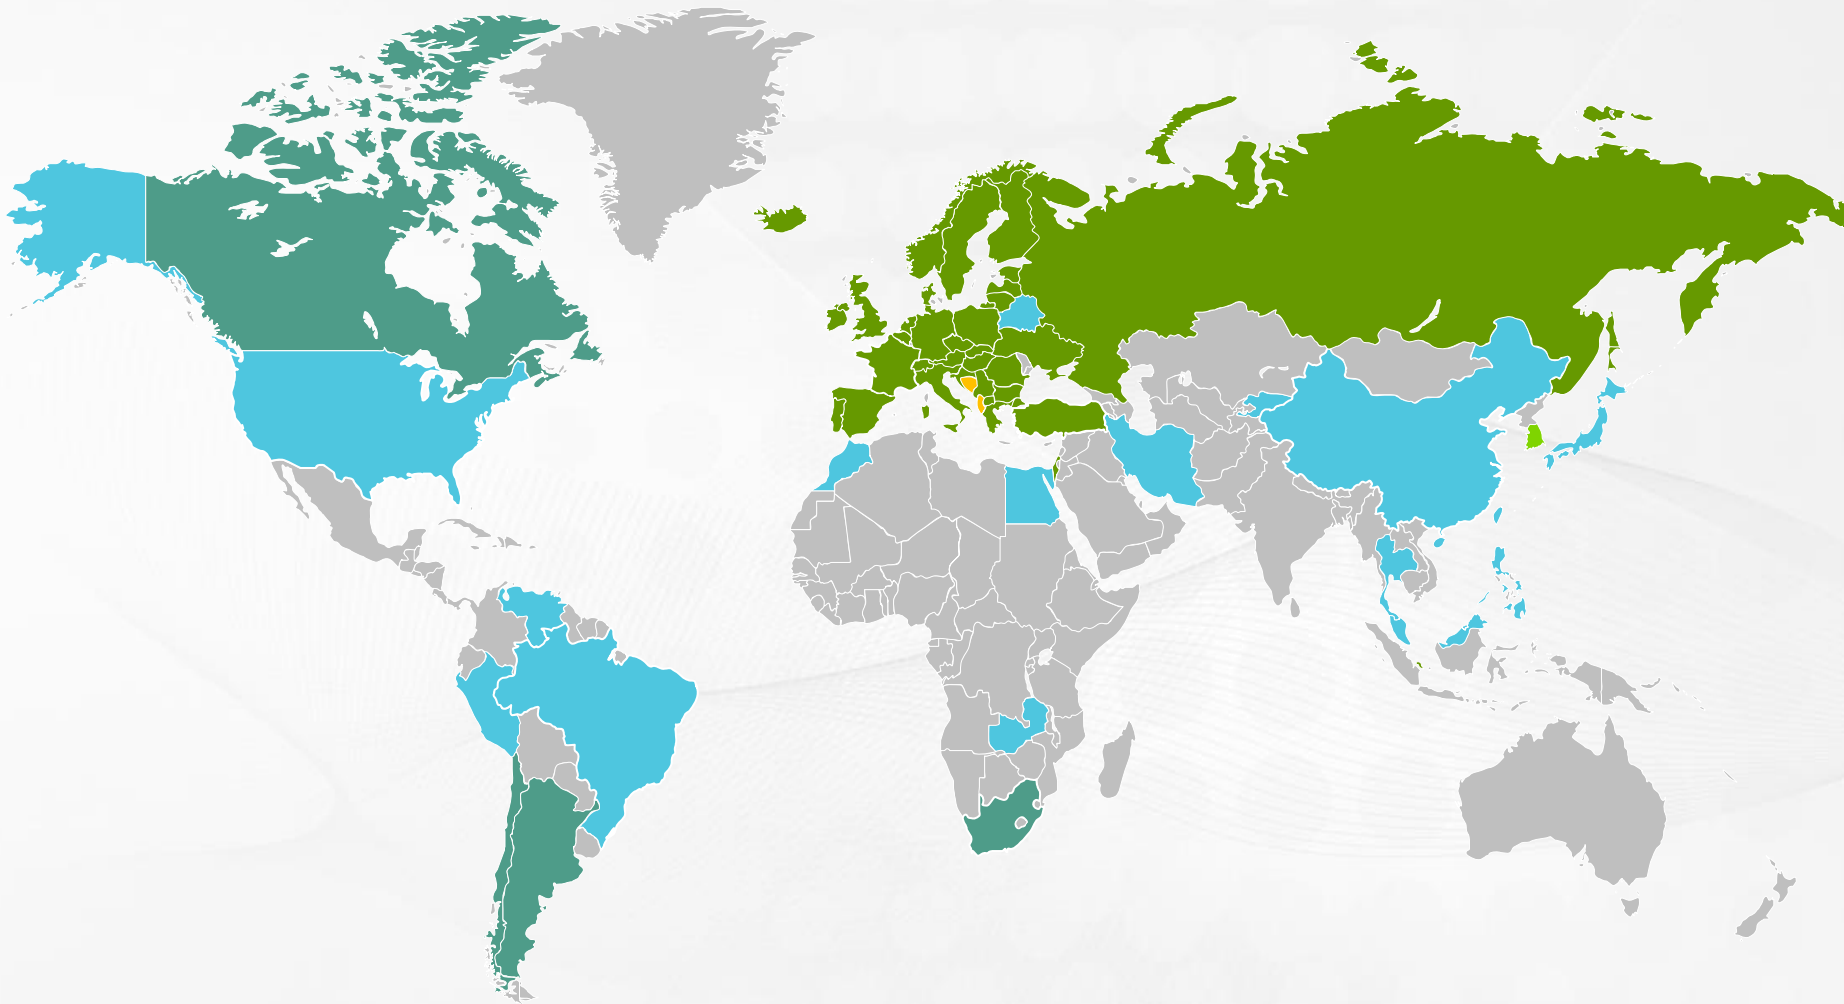

EUREKA is the world's biggest public network for international cooperation in R&D and innovation, present in over 45 countries:

1. EUREKA is an intergovernmental network established in 1985 (Portugal was a founding member);
2. Comprises 40 countries, the European Commission and engages 6 partner/associated countries (Argentina, Canada, Chile, Singapore, South Africa, South Korea);
3. Promotes and supports bottom-up market-oriented international R&D&I project generation;
4. Facilitates access to finance and to global value-chains
5. Open to start-ups, SMEs, large companies, research institutions and universities
6. Is a leading facilitator of innovation, providing a proven platform for international R&D&I cooperation.

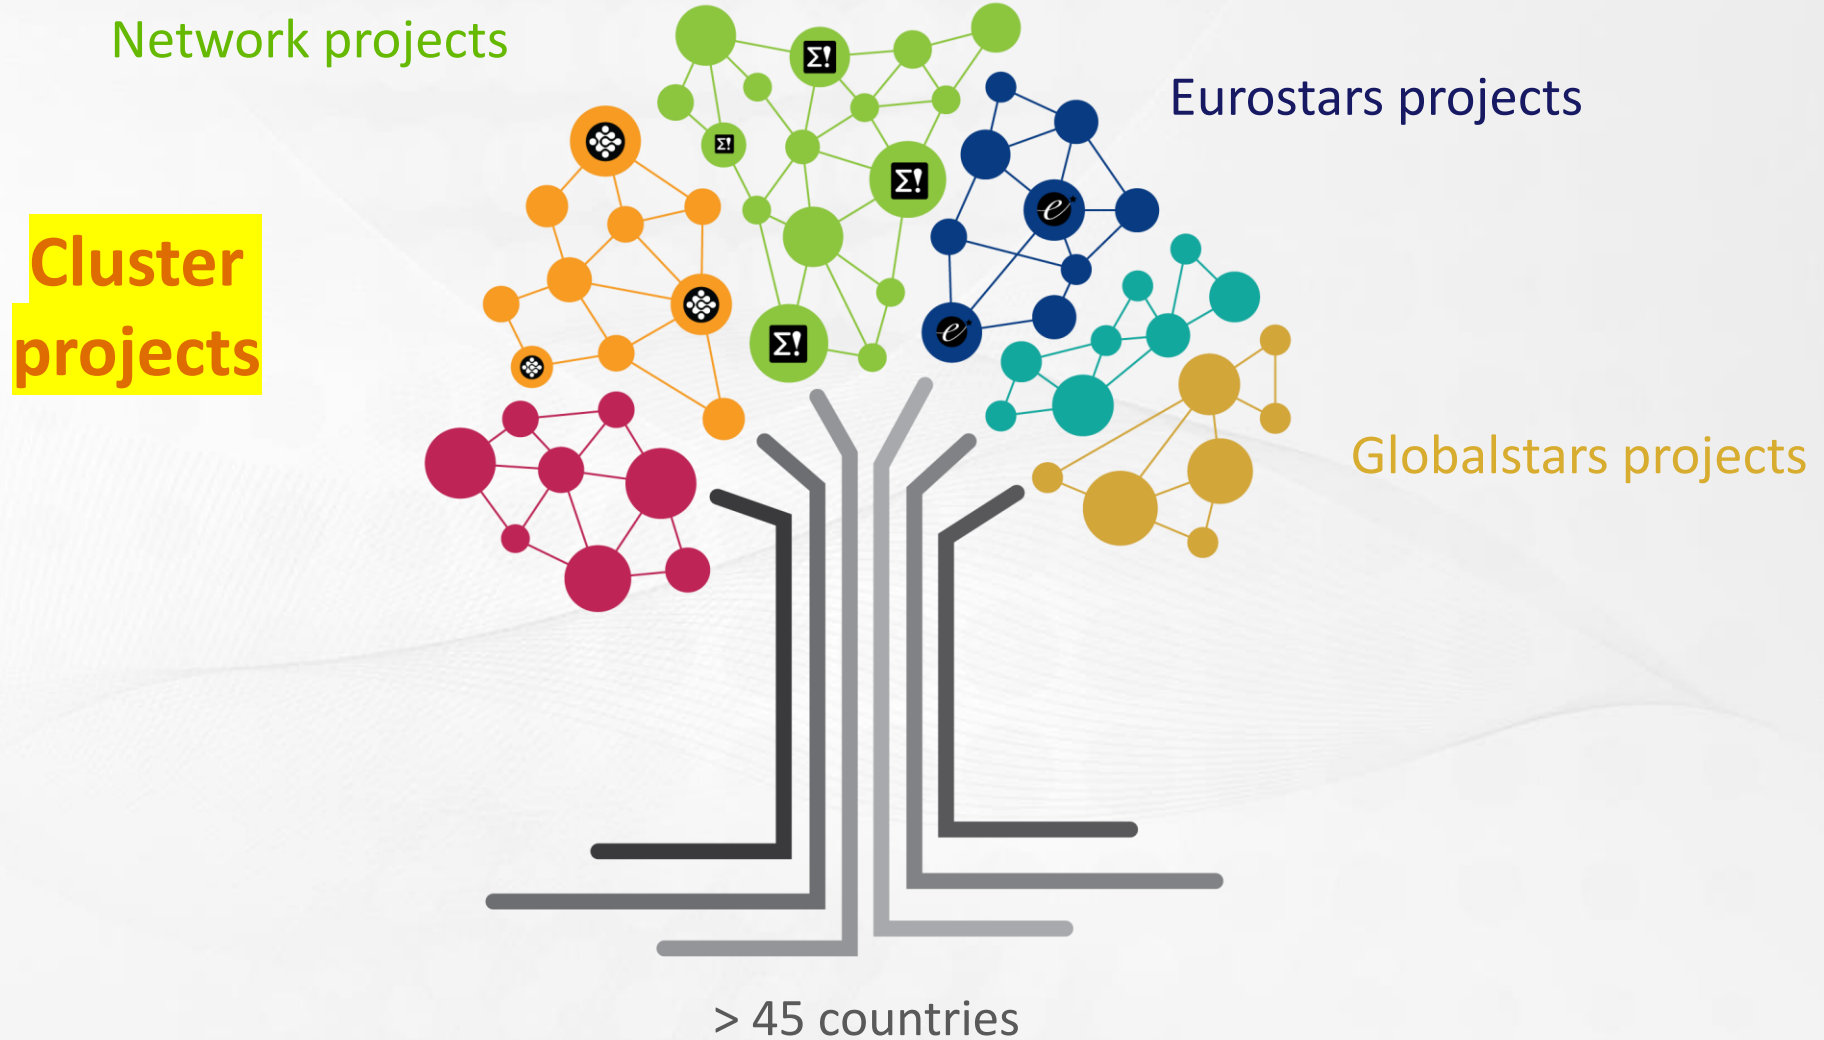

Portugal will take over the Chairmanship of EUREKA (July 2021 – June 2022)!!
